MEGAWORKS GROUP

Mega Istanbul Yapı Yatırım A.S. as the flagship company of the Megaworks, adds value to the steel industry with its 43 years of experience and qualified personnel. It's crucial to choose a reliable and professional business partner in order to meet the expanding requirements of the steel industry. With its 4 slitting lines and 3 cut-to-lenght lines that produces 651.000 tons of asset per year and facility established on a 15.000 m2 area, Megaworks provides the required professionalism.

Both local and global firms benefit from our 20.000 tons of stock that responds to every demand, top quality service and a 'win-win' policy. We maintain our prominent position in the steel industry thanks to the trust-based relationship with our customers.

Drawing on decades of experience, Megaworks Group takes a multidimensional approach to business challenges. For 43 years, we have been able to achieve a confidence-inspiring business environment improving partnerships and technologies to create shared value.

"In a World of Technology We Lead with the Human Experience."

MEGAWORKS

43 Years of Experience in the Steel Industry

Megaworks started it’s journey as Mehmet ÇIKRIKÇIOĞLU Iron and Steel Trading Co. in 1976. In 2012, Megaworks shifted its focus to the reel estate and construction business. Now it is one of the prominent iron and steel providers in local and global markets.

Megaworks as a Global Provider

Megaworks exports 4000 tons of asset per month. 119 firms in 20 countries benefit from our top quality service.

‘Win-Win’ Policy

As a family business, Megaworks values long term and trustworthy professional relationships and seeks beneficial outcomes for both sides.
